The Chairman Finance Committee referred the above Rule and informed different ways of meeting. He stated that the said meeting was convened in an emergency due to Covid-19 and shortage of time through WhatsApp circulation in member's official group. He also added that the Senate, National Assembly and Cabinet were also summoned through circulation, hence, the way adopted for that meeting is effective and according to law. He also briefed the house on the Budget Estimates for the FY 2020-21 and explained the increase budget allocation of different heads.

2. Homoeopathic Doctor M.B. Jawed Awan pointed out that amount allocated in the head of Civil Works (Building & Structures) is meager and suggested to increase. He proposed to construct afloor on the existing Council's building. He further said that consequent upon discontinuation of Grant-in-Aid to Homoeopathic Medical Colleges by the Ministry, it is necessary to sanction grant in aid from the own sources of the Council in order to have better control of institutions. He was also of the view that a sufficient fund is available with the Council so increase allocation of this head upto 10 million. The Council may write a letter to the Ministry for allocating grant in aid to Homoeopathic Medical Colleges for construction of their buildings. He appreciated the work of Chairman Finance Committee.

3. Mr. Khalil Ahmad, Chairman Finance Committee agreed with the view point of Homoeopathic Doctor M.B. Jawed Awan. We will be not be able to get possession forcibly and without due process of law and in said eventually we will have to file the fresh ejectment petition again. Hence execution of the fresh agreement as you suggested is not feasible. The opinion is being made after consultation with the legal experts.
