2. Homoeopathic Doctor Ilahi Bux referred to Section 47 of the UAH Act 1965 and said that before amendments in the DHMS Syllabus, previous approval in writing of the Federal Government is pre-requisite; therefore, this exercise is illegal. He further stated that a post-matriculation Four-Year Diploma (DHMS) is not to be associated with Under-graduates degrees are defined in concerned Education Policy 2020 of HEC. The changes in the syllabus of DHMS means changes in the Schedule IV annexed to Regulation 32 of the Homoeopathic Examination Regulations 1986. It requires a statutory process. So far if the committee has already "approved" the changes, seeking views is unnecessary. It is noteworthy that committees are for suggesting directions or and recommendations. Modification or diversification of undergraduates and higher courses of studies are possible through National Curriculum Revision Committee (NCRC) to be constituted by HEC. A draft of the M-Phil course of study was tabled and approved instantly. It is noteworthy that the draft was never circulated or seen by the members of the committee. **Agenda Item No. 2 (d) : To confirm Minutes of Registration & Renewal Committee Meeting held on 8<sup>th</sup> April 2021.**

The Secretary / Registrar put up the next agenda item and read out the committee meeting minutes. He stated that action has already been taken in decision (b) regarding printing the 1000 booklets of DHMS Syllabus and Code of Ethics.

2. Homoeopathic Doctor Ilahi Bux stated that revision of the Code of Ethics is the mandate of the Act, Rules and Regulation Committee, not Registration and Renewal Committee. Therefore the meeting of the said committee was out of scope. He referred the approved TORs of Act, Rules, and Regulations Committee whereby functions of the committee have defined. He cited that the existing booklet of Code of Ethics does not fulfill the requirements and needs new framing keeping because of existing changes. He also read out his objections forwarded to Registrar vide letter dated 11-03-2021 and 05-04-2021.

**Agenda Item No. 6: To discuss the matter regarding the issuance of practicing experience certificates to Registered Practitioners of KP by NCH.**

The Secretary / Registrar put next point before the house. The Chair invited Homoeopathic Doctor Ilahi Bux to narrate his viewpoint.

2. Homoeopathic Doctor Ilahi Bux stated that he had addressed 02 letters to the President and Registrar of the Council on 17-09-2021 and 04-03-2021, to clarify the issuance of experience certificates to the practitioners of Khyber Pakhtunkhwa. Still, neither was replied by the Council nor anyone in Member's WhatsApp group. The question arose when some homoeopathic practitioners acknowledged that favor and support in obtaining the practicing experience certificate on Facebook. However, it was a certification without criterion by the NCH office. It is out of the possibility to certify that such person is practicing the homoeopathy for three or more years as required by the KP Public Service Commission for the position of 04 Homoeopathic Doctors in BPS-16. Reportedly, the Council adopted a method to issue the said certificates for the blessing of the teaching institutions following illogical, suppositious, and not more than testifying the eyeless circumstance. It is noteworthy that NCH is the only regulatory body for homoeopathy and people either rendering the services as a member or as regular employees are bound to think a hundred times when attempting an unusual task. However, the matter was resolve-able judicially and prudently without impairing the rights of applicants / candidates for the above-referred positions announced by KP-PSC. The Registrar issued rare types of experience certificates to the practitioners so a comprehensive clarification is required.

2. The Registrar clarified his position and stated that experience certificates issued earlier to homoeopathic doctors of KP on 14<sup>th</sup> September 2020, addressed to the Superintendent KPPSC with the consent of the then President NCH - Homoeopathic Doctor Mahmood ul Haq Abbasi, were rejected by the KPPSC. Thereafter, a new experience certificate template was composed with the deliberation of Vice President - Homoeopathic Doctor Saeed ur Rehman Khattak based on experience certificates duly signed by the Principal of H.M. Colleges. Moreover, these experience certificates have been issued to 125 practitioners of KP free of cost.

3. Homoeopathic Doctor Ilahi Bux stated that job of Homoeopathic Doctors are self-employed. Therefore, issuing the experience certificate, the office was required to obtain the documents including the last three-year Income Tax Returns as professional services, at least the previous three-year challan receipts of professional tax, at least the previous three-years tenancy agreement along with payments receipts of rent of the premises acquired for the clinical purpose, at least three yearly payment receipts of signboard fee, or any other document evident to the certificate applied for.

4. Homoeopathic Doctor Saeed ur Rehmat Khattak stated that after the rejection of the experience certificates by KPPSC, he met with the Chairman KPPSC and requested to resolve

*Neel*

the issue amicably. As a result, revised certificates were issued to facilitate the Homoeopathic Doctors of KP for appointments against four posts

5. Homoeopathic Doctor Mahmood ul Haq Abbasi suggested preparing a policy for issuing of experience certificates and authorized only the Principal of H.M. Colleges for the purpose.
6. Homoeopathic Doctor Javed Akhter and Homoeopathic Doctor Muhammad Asif Khan proposed that the fee must be fixed as a verification fee of documents.
7. Homoeopathic Doctor Muhammad Irfan Wali stated that experience certificates be issued as per previous practice
8. Homoeopathic Doctor Naeem Hafeez said that SSC must be verified before issuance of experience certificate to any practitioner.

**Decision:** The Chair resolved that criteria adopted earlier by the Council are correct because the KPPSC has accepted experience certificates.

**Agenda Item No. 7: To discuss letter dated 11-02-2021 of Homoeopathic Doctor Ilahi Bux regarding self-privileged communiqué with Provincial Chief Executive.**

The Secretary / Registrar put up the next agenda item before the house. The chair invited the mover - Homoeopathic Doctor Ilahi Bux to offer his view. Homoeopathic Doctor Ilahi Bux referred his letter dated 11-02-2021 addressed to the President whereby the newly elected Vice President asked the Chief Minister, Kyber Pakhtunkhwa for meeting in connection with an unapproved and inadmissible self-created agenda. The Vice President requested to the Chief Minister for establishment of a separate council, while Homoeopathic Doctor Saeed ur Rehman Khattak never been authorized to be called on with CM-KP. This bid of by-passing the Council office falls under exceeded or abused of powers in the light of Section 13 (2) of the Act. He requested the Vice President for clarification.

2. The Vice President Homoeopathic Doctor Seed ur Rehman Khattak explained his position and regretted from the House on the matter. He stated that he wrote a letter to the Chief Minister in the profession's best interest and highlighted some points, i.e., grant of loan for construction of H.M. college buildings. He assured the House that next time he would be careful in direct correspondence to higher authorities

**Decision:**

The House decided that all correspondence with the higher authorities should be routed through proper channels, i.e., National Council for Homoeopathy.

**Agenda Item No. 8: To discuss a letter dated 14-01-2021 of Homoeopathic Doctor Ilahi Bux regarding an un-sequenced List of NCH members..**

The chair presented the next agenda point and invited Homoeopathic Doctor Ilahi Bux to narrate his viewpoint.

2. Homoeopathic Doctor Ilahi Bux stated that he observed that logical order is not taken into account when compiling the list of the NCH members. He suggested a logical sequence of

*Handwritten signature/initials*

listing of members NCH for all-purpose including communiqués, minutes, website, etc. as follows:-

- a) Names of NCH Members in statutory order.
- b) Names of NCH Members in Alphabetical order
- c) Names of NCH Members according to their date of Birth.
